4. We advised Mr. Byrnes that the question concerning the number of super-grade positions in OCB and the use to be made of those positions had been the subject of discussions between the Deputy Director (Administration), CIA, the Bureau of the Budget, and other interested officials, and that we would have to refer his query to the DD/A since we were not sufficiently informed on this matter to advise him as to what this Agency's attitude would be to such a proposition as he had outlined. Mr. Byrnes stated that he would like to talk to you about this matter and would be glad to call upon you at your convenience for that purpose. We advised Mr. Byrnes that we would advise you concerning the substance of his proposition and inform you of his desire to talk with you on this subject.

5. Mr. Byrnes' telephone number is Code 191, Extension 5185. Kindly advise if you wish the Comptroller's Office to take any further action on this matter.
